

10th International Conference on Radiopharmaceutical Therapy

Innsbruck, Austria, 3 – 8 May 2015

Hotel „Grauer Bär“

Social Programme

WARMLY we want to welcome you in Innsbruck to the ICRT2015 !

The ICRT2015 meeting in Innsbruck will be a highlight for the theranostic soul of nuclear medicine. There will be plenary lectures devoted to nuclear medicine therapy as well as to therapy-related diagnosis and follow-up. The distinguished speakers will address the current state of the art and new developments. The sessions organized throughout the meeting will truly reflect WARMTH's mission - with the goal of providing the best care for our patients.

We trust that you will find the ICRT2015 of great interest and hope that you will enjoy your stay in Innsbruck. Please find the final programme at our website www.warmth.org/icrt.

Breakfast buffet is served in the hotel you stay in. Our hotels are the Hotel “Grauer Bär”, Hotel “Schwarzer Adler” and Hotel “Goldener Adler”.

Lunch buffet is served from **13.00 till 14.00** in the Hotel “Grauer Bär” for all participants.

Coffee & tea with little snacks are served in the winter garden of the Hotel “Grauer Bär” in the morning and afternoon during the session breaks for all participants.

Additional information regarding our social programme is provided below.

Our team from Innsbruck, Gertraud Buchberger and Eva Opperer, as well as our team from Singapore, Ee Sia Tan and Shirley Tay, are available for your specific questions at the registration desk at the Hotel “Grauer Bär” from 8.00 to 18.00 pm.

We wish you a pleasant stay in Innsbruck, a successful scientific week and a great memory of our province Tyrol, Austria !

WARMTH greetings

SIGHT-SEEING TOUR

2000 - 2400

TYROLEAN EVENING & OENOPHILUS DINNER

“Postkutscherhof”, Axams

Austrian Waltz and Polka Dancing Party

We will depart with busses from the Hotel “Grauer Bär” at 11 am to the City of HALL where tourist guides will show us the old town. We will have lunch at “Alpenhotel Speckbacher Hof” in the low mountain range. Thereafter we will visit the famous “Swarovski Cristal Worlds” in Wattens (<http://kristallwelten.swarovski.com/Content.Node/Startseite.de.html>).

Our tour will continue through pictorial Tyrolean villages to a typical Tyrolean farm. There we will first go on a horse-drawn carriage ride through the countryside. Afterwards we will enjoy typical local food and will be entertained by live Tyrolean folk music. **You are welcome to bring the typical wine from your country to share with WARMTH friends.**
