INVITATION TO PARTICIPATE AND

Organizing Committee of 11th
THERAPY (ICRT-2016)

Cochin

Subject : Invitation to sponsor and participate
2016), Cochin Kerala (India), 13th - 17th

Dear Sir,

Greetings from the World Association of

After successfully organizing 10 International
(Mongolia), Goa -2008 (India), Cartagena –
(Vietnam), Levi 2012 (Finland), Manila 2013
International Conference on
(India) from 13th -17th November 2016. The
participants from all over the world to attend
Consensus in Radiopharmaceutical

The objectives of the conference are :

- 1 To evaluate the current status of
imaging in particular.
- 2 To disseminate the concept of
imaging as a premier diagnostic
- 3 To exchange information on the
developing countries.
- 4 To interact with the user groups
Pediatricians, Orthopedicians &
- 5 To bring them the most important
- 6 To define future directions in this

The major emphasis of the meeting will be to
outlined above, to enhance awareness and to
range of Theranostics in the field of Nuclear
radiopharmaceuticals, dosimetry and
oral and poster presentations, symposia &

We would like to invite you and your
scientific deliberations. This may provide you
well as an excellent platform to build and
influential audience before, during and after
chances to launch any new product and/ or

A wide range of SPONSORSHIP OPTIONS
of your sponsorship will ensure a higher level
penny they spend in the sponsorship of our
and entirely for the promotion of nuclear
